SECTION 2: NOTICE TO INVESTORS AND DISCLAIMERS

2.1 ISSUER'S DISCLAIMER

This General Information Document is neither a prospectus nor a statement in lieu of a prospectus and should not be construed to be a prospectus or a statement in lieu of a prospectus under the Companies Act. The issue of the Non-Convertible Securities to be listed on the WDM segment of the BSE is being made strictly on a private placement basis. Multiple copies hereof given to the same entity shall be deemed to be given to the same person and shall be treated as such. This General Information Document does not constitute and shall not be deemed to constitute an offer or invitation to subscribe to the Non-Convertible Securities to the public in general.

As per the applicable provisions, it is not necessary for a copy of this General Information Document to be filed or submitted to the SEBI for its review and/or approval. This General Information Document has been prepared in conformity with the SEBI NCS Regulations as amended from time to time and applicable RBI regulations governing private placements of Non-Convertible Securities by NBFCs. This General Information Document has been prepared solely to provide general information about the Issuer to Eligible Investors to whom it is addressed and who are willing and eligible to subscribe to the Non-Convertible Securities. This General Information Document does not purport to contain all the information that any Eligible Investor may require. Further, this General Information Document has been prepared for informational purposes relating to this transaction only and upon the express understanding that it will be used only for the purposes set forth herein.

Neither this General Information Document nor any other information supplied in connection with the Non-Convertible Securities is intended to provide the basis of any credit or other evaluation and any recipient of this General Information Document should not consider such receipt as a recommendation to subscribe to any Non-Convertible Securities. Each potential Investor contemplating subscription to any Non-Convertible Securities should make its own independent investigation of the financial condition and affairs of the Issuer, and its own appraisal of the creditworthiness of the Issuer. Potential investors should consult their own financial, legal, tax and other professional advisors as to the risks and investment considerations arising from an investment in the Non-Convertible Securities and should possess the appropriate resources to analyze such investment and the suitability of such investment to such potential Investor's particular circumstances.

The Issuer confirms that, as of the date hereof, this General Information Document (including the documents incorporated by reference herein, if any) contains all the information that is material in the context of the Issue and regulatory requirements in relation to the Issue and is accurate in all such material respects. No person has been authorized to give any information or to make any representation not contained or incorporated by reference in this General Information Document or in any material made available by the Issuer to any potential Investor pursuant hereto and, if given or made, such information or representation must not be relied upon as having being authorized by the Issuer. The Issuer certifies that the disclosures made in this General Information Document and/or the Private Placement Offer cum Application Letter are adequate and in conformity with the SEBI NCS Regulations and the Companies (Prospectus and Allotment of Securities) Rules, 2014. Further, the Issuer accepts no responsibility for statements made otherwise than in the General Information Document or any other material issued by or at the instance of the Issuer and anyone placing reliance on any source of information other than this General Information Document would be doing so at its own risk.

This General Information Document, the Private Placement Offer cum Application Letter and the respective contents hereof respectively, are restricted only for the intended recipient(s) who have been addressed directly and specifically through a communication by the Issuer and only such recipients are eligible to apply for the Non-Convertible Securities. All Investors are required to comply with the relevant regulations/guidelines applicable to them for investing in this Issue. The contents of this General Information Document and/or the Private Placement Offer cum Application Letter are intended to be used only by those Investors to whom it is distributed. It is not intended for distribution to any other person and should not be reproduced by the recipient.

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

No invitation is being made to any persons other than those to whom Application Forms along with this General Information Document and/or Key Information Document and / or the Private Placement Offer cum Application Letter being issued have been sent. Any application by a person to whom the General Information Document and/or the Private Placement Offer cum Application Letter has not been sent by the Issuer shall be rejected without assigning any reason.

The person who is in receipt of this General Information Document and/or the Private Placement Offer cum Application Letter shall not reproduce or distribute in whole or in part or make any announcement in public or to a third party regarding the contents hereof without the consent of the Issuer. The recipient agrees to keep confidential all information provided (or made available hereafter), including, without limitation, the existence and terms of the Issue, any specific pricing information related to the Issue or the amount or terms of any fees payable to us or other parties in connection with the Issue. This General Information Document and/ or the Key Information Document and / or the Private Placement Offer cum Application Letter may not be photocopied, reproduced, or distributed to others at any time without the prior written consent of the Issuer. Upon request, the recipients will promptly return all material received from the Issuer (including this General Information Document) without retaining any copies hereof. If any recipient of this General Information Document and/or the Private Placement Offer cum Application Letter decides not to participate in the Issue, that recipient must promptly return this General Information Document and/or the Private Placement Offer cum Application Letter and all reproductions whether in whole or in part and any other information statement, notice, opinion, memorandum, expression or forecast made or supplied at any time in relation thereto or received in connection with the Issue to the Issuer.

The Issuer does not undertake to update the General Information Document and/or the Private Placement Offer cum Application Letter to reflect subsequent events after the date of General Information Document and/or the Private Placement Offer cum Application Letter and thus it should not be relied upon with respect to such subsequent events without first confirming its accuracy with the Issuer, save and except the disclosures that shall be made in the Key Information Document at the time of subsequent issuances, from time to time.

Neither the delivery of this General Information Document and/or the Private Placement Offer cum Application Letter nor any sale of Non-Convertible Securities made hereafter shall, under any circumstances, constitute a representation or create any implication that there has been no change in the affairs of the Issuer since the date hereof.

This General Information Document and/or the Private Placement Offer cum Application Letter does not constitute, nor may it be used for or in connection with, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. No action is being taken to permit an offering of the Non-Convertible Securities or the distribution of this General Information Document and/or the Private Placement Offer cum Application Letter in any jurisdiction where such action is required. Persons into whose possession this General Information Document and/or the Private Placement Offer cum Application Letter comes are required to inform themselves of, and to observe, any such restrictions. The General Information Document is made available to potential Investors in the Issue on the strict understanding that it is confidential.

This General Information Document is for the exclusive use of the addressee and restricted for only the intended recipient and it should not be circulated or distributed to third party(ies). This Issue is made strictly on private placement basis. Apart from this General Information Document, no offer document or prospectus has been prepared in connection with the offering of this Issue or in relation to the Issuer.

It is not necessary for the General Information Document to be registered under Applicable Laws. Accordingly, this General Information Document has neither been delivered for registration nor is it intended to be registered.

This General Information Document is intended to be circulated to not exceeding 200 (two hundred) persons in the aggregate in a financial year. Multiple copies hereof given to the same entity shall be deemed to be given to the same person and shall be treated as such. It does not constitute and shall

not be deemed to constitute an offer or an invitation to subscribe to the Non-Convertible Securities to the public in general.

The General Information Document does not include a statement purporting to be made by an expert. In case any such statement is made, it shall be made by an expert who is not, and has not been, engaged or interested in the formation or promotion or management, of the Company and has given his written consent to the issue of the General Information Document and has not withdrawn such consent before the delivery of a copy of the General Information Document, as applicable.

2.2 **DISCLAIMER CLAUSE OF STOCK EXCHANGES**

As required, a copy of this General Information Document has been filed with the BSE in terms of the SEBI NCS Regulations. It is to be distinctly understood that submission of this General Information Document to the BSE should not in any way be deemed or construed to mean that this General Information Document has been reviewed, cleared, or approved by the BSE; nor does the BSE in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this General Information Document, nor does the BSE warrant that the Issuer's Non-Convertible Securities will be listed or will continue to be listed on the BSE; nor does the BSE take any responsibility for the soundness of the financial and other conditions of the Issuer, its promoters, its management or any scheme or project of the Issuer.

2.3 **DISCLAIMER CLAUSE OF RBI**

The company is having a valid certificate of registration issued by the Reserve Bank of India under Section 45 IA of the Reserve Bank of India Act, 1934. However, the RBI does not accept any responsibility or guarantee about the present position as to the financial soundness of the company or for the correctness of any of the statements or representations made or opinions expressed by the company and for repayment of deposits/ discharge of liability by the company.

2.4 **DISCLAIMER CLAUSE OF SEBI**

AS PER THE PROVISIONS OF THE SEBI NCS REGULATIONS, IT IS NOT STIPULATED THAT A COPY OF THIS GENERAL INFORMATION DOCUMENT HAS TO BE FILED WITH OR SUBMITTED TO THE SEBI FOR ITS REVIEW / APPROVAL. IT IS TO BE DISTINCTLY UNDERSTOOD THAT FILING OF THIS GENERAL INFORMATION DOCUMENT TO SEBI SHOULD NOT IN ANY WAY BE DEEMED OR CONSTRUED TO HAVE BEEN APPROVED OR VETTED BY SEBI AND THAT THIS ISSUE IS NOT RECOMMENDED OR APPROVED BY SEBI. SEBI DOES NOT TAKE ANY RESPONSIBILITY EITHER FOR THE FINANCIAL SOUNDNESS OF ANY SCHEME OR THE PROJECT FOR WHICH THE ISSUE IS PROPOSED TO BE MADE OR FOR THE CORRECTNESS OF THE STATEMENTS MADE OR OPINIONS EXPRESSED IN THE GENERAL INFORMATION DOCUMENT.

2.5 **DISCLAIMER IN RESPECT OF JURISDICTION**

This Issue is made in India to investors as specified under the paragraph titled "Eligible Investors" of this General Information Document, who shall be/have been identified upfront by the Issuer. This General Information Document and/or the Private Placement Offer cum Application Letter does not constitute an offer to sell or an invitation to subscribe to Non-Convertible Securities offered hereby to any person to whom it is not specifically addressed. Any disputes arising out of this Issue will be subject to the exclusive jurisdiction of the courts and tribunals as specified in the relevant Key Information Document. This General Information Document and/or the Private Placement Offer cum Application Letter does not constitute an offer to sell or an invitation to subscribe to the Non-Convertible Securities herein, in any other jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction.

2.6 **DISCLAIMER IN RESPECT OF RATING AGENCY**

Ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. The Rating Agent has based

its ratings on information obtained from sources believed by it to be accurate and reliable. The Rating Agent does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by the Rating Agent have paid a credit rating fee, based on the amount and type of bank facilities/instruments.

2.7 **DISCLAIMER OF DEBENTURE TRUSTEE**

- (I) The Debenture Trustee or its agents or advisers associated with the Issue do not undertake to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this General Information Document and do not have any responsibility to advise any Investor or prospective Investor in the Non-Convertible Securities of any information available with or subsequently coming to the attention of the Debenture Trustee, its agents or advisors except as specifically provided for in the relevant Tranche/Issuance Debenture Trust Deed.
- (II) The Debenture Trustee does not guarantee the terms of payment regarding the issue as stated in this General Information Document and shall not be held liable for any default in the same.
- (III) The Debenture Trustee or its agents or advisers associated with the Issue have not separately verified the information contained in this General Information Document. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by Debenture Trustee as to the accuracy or any other information provided by the Issuer. Accordingly, the Debenture Trustee associated with the issue shall have no liability in relation to the information contained in this General Information Document or any other information provided by the Issuer in connection with the issue.
- (IV) The Debenture Trustee is neither a principal debtor nor a guarantor of the Debentures.

2.8 **ISSUE OF NON-CONVERTIBLE SECURITIES IN DEMATERIALIZED FORM**

The Non-Convertible Securities will be issued in dematerialised form. The Issuer has made arrangements with the Depositories for the issue of the Non-Convertible Securities in dematerialised form. Investors will have to hold the Non-Convertible Securities in dematerialised form as per the provisions of Depositories Act. The Issuer shall take necessary steps to credit the Non-Convertible Securities allotted to the beneficiary account maintained by the Investor with its depository participant. The Issuer will make the Allotment to the Investors on the Deemed Date of Allotment after verification of the Application Form, the accompanying documents and on realisation of the application money.

SECTION 3: RISK FACTORS

Investment in non-convertible securities involve a degree of risk and investors should not invest any funds in such securities unless they can afford to take the risk attached to such investments. Investors are advised to take an informed decision and to read the risk factors carefully before investing in this offering. For taking an investment decision, investors must rely on their examination of the issue including the risks involved in it. Specific attention of investors is invited to statement of risk factors contained under Section 3 of this General Information Document. These risks are not, and are not intended to be, a complete list of all risks and considerations relevant to the non-convertible securities or investor's decision to purchase such securities.

The following are the risks relating to the Company, the Non-Convertible Securities and the market in general envisaged by the management of the Company. Potential Investors should carefully consider all the risk factors stated in this General Information Document and/or the Private Placement Offer cum Application Letter for evaluating the Company and its business and the Non-Convertible Securities before making any investment decision relating to the Non-Convertible Securities. The Company believes that the factors described below represent the principal risks inherent in investing in the Non-Convertible Securities. Potential Investors should also read the detailed information set out elsewhere in this General Information Document and/or the Private Placement Offer cum Application Letter and reach their own views prior to making any investment decision.

3. GENERAL RISKS

3.1 RISKS IN RELATION TO THE NON-CONVERTIBLE SECURITIES:

(a) Repayment is subject to the credit risk of the Issuer.

Potential Investors should be aware that receipt of the principal amount, (i.e. the redemption amount) and any other amounts that may be due in respect of the Non-Convertible Securities is subject to the credit risk of the Issuer whereby the Investor(s) may or may not recover all or part of the funds in case of default by the Issuer. Potential Investors assume the risk that the Issuer will not be able to satisfy their obligations under the Non-Convertible Securities. In the event that bankruptcy proceedings or composition, scheme of arrangement or similar proceedings to avert bankruptcy are instituted by or against the Issuer, the payment of sums due on the Non-Convertible Securities may not be made or may be substantially reduced or delayed.

(b) The secondary market for non-convertible securities may be illiquid.

The non-convertible securities may be very illiquid and no secondary market may develop in respect thereof. Even if there is a secondary market for the non-convertible securities, it is not likely to provide significant liquidity. Potential Investors may have to hold the Non-Convertible Securities until redemption to realize any value.

(c) Credit Risk & Rating Downgrade Risk

The Rating Agent has assigned the credit ratings to the Non-Convertible Securities. In the event of deterioration in the financial health of the Issuer, there is a possibility that the Rating Agent may downgrade the rating of the Non-Convertible Securities. In such cases, potential Investors may incur losses on revaluation of their investment or make provisions towards sub-standard/ non-performing investment as per their usual norms.

(d) Changes in interest rates may affect the price of Debentures.

All securities where a fixed rate of interest is offered, such as this Issue, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing

coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the pricing of the Non-Convertible Securities.

(e) Tax Considerations and Legal Considerations:

Special tax considerations and legal considerations may apply to certain types of investors. Potential Investors are urged to consult with their own financial, legal, tax and other advisors to determine any financial, legal, tax and other implications of this investment.

(f) Accounting Considerations:

Special accounting considerations may apply to certain types of taxpayers. Potential Investors are urged to consult with their own accounting advisors to determine implications of this investment.

(g) Risk of Fraud and other Misconduct by Employees or Outsiders.

The Issuer exposed to various operational risks which include the risk of fraud or misconduct by our employees or even an outsider, unauthorized transactions by employees or third parties, misreporting and non-compliance of various statutory and legal requirements and operational errors.

It may not be always possible to deter employees from the misconduct or the precautions we take to detect and prevent these activities may not be effective in all cases. Any such instances of employee misconduct or fraud, the improper use or disclosure of confidential information, could result in regulatory and legal proceedings and may harm our reputation and also our operations.

(h) Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.

The Issuer is subject generally to changes in Indian law, as well as to changes in government regulations and policies and accounting principles. Any changes in the regulatory framework could adversely affect the profitability of the Issuer or its future financial performance, by requiring a restructuring of its activities, increasing costs or otherwise.

3.2 RISKS IN RELATION TO THE SECURITY CREATED IN RELATION TO THE DEBT SECURITIES. FURTHER, ANY RISKS IN RELATION TO MAINTENANCE OF SECURITY COVER OR FULL RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT

(a) Security and Guarantee may be insufficient to redeem the Secured Debentures

In the event that the Company is unable to meet its payment and other obligations towards Investors under the terms of the Secured Debentures, the Debenture Trustee may enforce the Security and/or invoke the Guarantee as per the terms of security documents, and other related documents executed in relation to the Secured Debentures. The Debenture Holder(s)' recovery in relation to the Secured Debentures will be subject to (i) the market value of such Security (ii) finding willing buyers for the Security at a price sufficient to repay the Debenture Holder(s)' amounts outstanding under the Secured Debentures. There is a risk that the value realised from the enforcement of the Security may be insufficient to redeem the Secured Debentures.

(b) Even though the Secured Debentures are to be secured to the extent of at least 100% (One Hundred percent) of the principal and interest amount or as per the terms of this General Information Document, in favor of the Debenture Trustee, the recovery of 100% of the amount shall depend on the market scenario prevalent at the time of enforcement of the security.

3.3 REFUSAL IN LISTING OF ANY SECURITY OF THE ISSUER DURING PRECEEDING THREE FINANCIAL YEARS AND CURRENT YEAR BY ANY OF THE STOCK EXCHANGES IN INDIA OR ABROAD:

As of date, the Issuer has not been refused in listing of any security during the last 3 years by any of the stock exchanges in India or abroad and therefore, this would not be applicable.

3.4 LIMITED OR SPORADIC TRADING OF NON-CONVERTIBLE SECURITIES OF THE ISSUER ON STOCK EXCHANGES:

As of date, we are not aware of any limited or sporadic trading of the non-convertible securities of the Issuer on stock exchanges and therefore, this would not be applicable.

3.5 IN CASE OF OUTSTANDING DEBT INSTRUMENTS OR DEPOSITS OR BORROWINGS, ANY DEFAULT IN COMPLIANCE WITH THE MATERIAL COVENANTS SUCH AS CREATION OF SECURITY AS PER TERMS AGREED, DEFAULT IN PAYMENT OF INTEREST, DEFAULT IN REDEMPTION OR REPAYMENT, NON-CREATION OF DEBENTURE REDEMPTION RESERVE, DEFAULT IN PAYMENT OF PENAL INTEREST WHEREVER APPLICABLE

As of date, the Issuer has not defaulted in compliance with any material covenants agreed to by the Issuer and therefore, this would not be applicable.

3.6 RISKS RELATED TO THE BUSINESS OF THE ISSUER

- (a) ***Majority of the Issuer's loans are unsecured and the clients of these unsecured loans are of the high risk category and if the Issuer is unable to control the level of non-performing loans ("NPAs") in the future, or if the Issuer's loan loss reserves are insufficient to cover future loan losses, the financial condition and results of operations may be materially and adversely affected.***

A majority of the Issuer's loans are unsecured and the clients of these unsecured loans are of the high risk category. There is uncertainty on the client's ability to fulfil its loan obligations as such borrowers typically do not have bank accounts or proper income proof verification so it can be difficult to verify all client details and assess the risk. Such non-performing or low credit quality loans can negatively impact our results of operations.

The Issuer has various procedures and process controls in place to mitigate the risk.

As on 31st March 2023, the gross NPA was INR 43.53/- Crores on a gross portfolio of INR 1,465.42/- Crores (including managed / securitized portfolio).

- (b) ***The Issuer cannot assure that it will be able to effectively control and reduce the level of the NPAs of its Client Loans. The amount of its reported NPAs may increase in the future as a result of growth of Client Loans, and also due to factors beyond its control, such as over-extended member credit that it is unaware of. If the Issuer is unable to manage NPAs or adequately recover its loans, the results of its operations will be adversely affected.***

- (c) The current loan loss reserves of the Issuer may not be adequate to cover an increase in the paramount of NPAs or any future deterioration in the overall credit quality of Client Loans. As a result, if the quality of its total loan portfolio deteriorates the Issuer may be required to increase its loan loss reserves, which will adversely affect its financial condition and results of operations.

The Issuer clients, might be vulnerable if economic conditions worsen or growth rates decelerate in India, or if there are natural disasters such as floods and droughts in areas where the Issuer's clients live. Moreover, there is no precise method for predicting loan and credit losses, and the Issuer cannot assure that its monitoring and risk management procedures will effectively predict such losses or that loan loss reserves will be sufficient to cover actual losses. If the Issuer are unable to control or reduce the level of its NPAs or poor

credit quality loans, its financial condition and results of its operations could be materially and adversely affected.

(d) ***The Issuer's business operates through a large number of rural and semi urban branches and is exposed to operational risks including fraud***

The Issuer is exposed to operational risks, including fraud, petty theft and embezzlement, as it handles a large amount of cash due to high volume of small transactions. This could harm its operations and its financial position.

As the Issuer handles a large amount of cash through a high volume of small transactions taking place in its network, the Issuer is exposed to the risk of fraud or other misconduct by its employees or outsiders. These risks are further compounded due to the high level of delegation of power and responsibilities that the Issuer's business model requires. Given the high volume of transactions processed by the Issuer, certain instances of fraud and misconduct may go unnoticed before they are discovered and successfully rectified. Even when the Issuer discovers such instances of fraud or theft and pursue them to the full extent of the law or with its insurance carriers, there can be no assurance that the Issuer will recover any such amounts. In addition, the Issuer's dependence upon automated systems to record and process transactions may further increase the risk that technical system flaws or employee tampering or manipulation of those systems will result in losses that are difficult to detect.

The Issuer maintains an internal audit process to ensure the operations team follows the defined procedures and reports any deviations to the operations staff and management team. The Issuer also has a strong MIS system that has a wide range of data that can be used to monitor financial and operational performance.

To mitigate the above risk, the Issuer maintains an internal audit process to ensure the operations team follows the defined procedures and reports any deviations to the operations staff and management team. The Issuer also has a MIS system able to generate data analysis that can be used to monitor financial and operational performance.

(e) ***The Issuer is exposed to certain political, regulatory and concentration of risks***

Due to the nature of its operations, the Issuer is exposed to political, regulatory and concentration risks. The Issuer believes a mitigant to this is to expand its geographical reach and may consequently expand its operations other states. If it is not effectively able to manage such operations and expansion, it may lose money invested in such expansion, which could adversely affect its business and results of operations.

Large scale attrition, especially at the senior management level, can make it difficult for the Issuer to manage its business.

If the Issuer is not able to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain the Issuer's quality and reputation, it will be difficult for the Issuer to manage its business and growth. The Issuer depends on the services of its executive officers and key employees for its continued operations and growth. In particular, the Issuer's senior management has significant experience in the banking and financial services industries. The loss of any of the Issuer's executive officers, key employees or senior managers could negatively affect its ability to execute its business strategy, including its ability to manage its rapid growth. The Issuer's business is also dependent on its team of personnel who directly manage its relationships with its members. The Issuer's business and profits would suffer adversely if a substantial number of such personnel left the Issuer or became ineffective in servicing its members over a period of time. The Issuer's future success will depend in large part on its ability to identify, attract and retain highly skilled managerial and other personnel. Competition for individuals with such specialized knowledge and experience is intense in this industry, and the Issuer may be unable to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain its quality and reputation or to sustain or expand its operations. The loss of the services of such personnel or the inability to identify, attract and retain qualified personnel in the future

would make it difficult for the Issuer to manage its business and growth and to meet key objectives.

- (f) ***The Issuer's business and results of operations would be adversely affected by strikes, work stoppages or increased wage demands by employees***

The employees are not currently unionized. However, there can be no assurance that they will not unionize in the future. If the employees unionize, it may become difficult to maintain flexible labour policies, and could result in high labour costs, which would adversely affect the Issuer's business and results of operations.

- (g) ***The Issuer's insurance coverage may not adequately protect it against losses. Successful claims that exceed its insurance coverage could harm the Issuer's results of operations and diminish its financial position***

There are various types of risks and losses for which the Issuer does not maintain insurance, such as losses due to business interruption and natural disasters, because they are uninsurable. A successful assertion of such large claims against the Issuer that exceeds its available insurance coverage or results in changes in its insurance policies, including premium increases or the imposition of a larger deductible or co-insurance requirement, could adversely affect the Issuer's business, financial condition and results of operations. Such risks are normally minimized through strong Risk Management practices of the Company.

- (h) ***Issuer requires certain statutory and regulatory approvals for conducting business and failure to obtain or retain them in a timely manner, or at all, may adversely affect operations.***

NBFCs in India are subject to strict regulation and supervision by the RBI. Pursuant to guidelines issued by the RBI (including the NBFC Directions) the Issuer is required to maintain its status as a NBFC in order to be eligible for categorization as priority sector advance for bank loans. The Issuer requires certain approvals, licenses, registrations and permissions for operating its business, including registration with the RBI as a NBFC. Further, such approvals, licenses, registrations and permissions must be maintained/renewed over time, applicable requirements may change and the Issuer may not be aware of or comply with all requirements all of the time. Additionally, the Issuer may need additional approvals from regulators to introduce new insurance and other fee based products to its members. In particular, the Issuer is required to obtain a certificate of registration for carrying on business as a NBFC that is subject to numerous conditions. In addition, its branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishments laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. If the Issuer fails to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, its business may be adversely affected. If the Issuer fails to comply, or a regulator claims that it has not complied, with any of these conditions, the Issuer's certificate of registration may be suspended or cancelled and it shall not be able to carry on such activities. If the Issuer fails to comply with the NBFC Directions and the NBFC Directions and fails to maintain the status of NBFC, it will not be eligible for priority sector loans from the Indian banking sector and may also attract penal provisions under the RBI Act, 1934 for non-compliance.

- (i) ***The economic fallout from the spread of the COVID-19 virus may impact the Issuer's business prospects, financial condition, result of operations and credit risk***

The spread of the COVID-19 virus has affected millions across the globe and the same coupled with measures taken by the governments including lockdowns/ curfew has not only affected day to day lives of people but has also given a hard blow to the supply chain of factories, with trade routes being disturbed and slowing down of the industry, trade, commerce and business activities across all sectors.

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

The COVID-19 virus pandemic is adversely affecting, and is expected to continue to adversely affect, our operations, business, liquidity and cashflows, and the Issuer has experienced and expect to continue to experience unpredictable reductions in demand for certain of our products and services. Further, since a good fraction of our borrowers are small transport road operators, the disruption due to COVID-19 virus will also have an impact on their business as well as repayment capacity of the loans taken from us.

However, the extent of negative financial impact cannot be reasonably estimated at this time but a sustained economic slowdown may significantly affect our business, financial condition, liquidity, cashflows and results of operations and the same will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the COVID-19 virus and the actions to contain the COVID-19 virus or treat its impact, among others. Consequently, there may be a negative effect on the Company's ability to service the obligations in relation to the Non-Convertible Securities.

(j) ***Economic Risk in India:***

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, amounts due will be paid/redemption will be made to the person, whose name appears in the Register of Debenture Holders maintained by the R&T Agent as on the Record Date, under all circumstances. In cases where the transfer formalities have not been completed by the transferor, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in dematerialised form. The seller should give delivery instructions containing details of the buyer's DP account to his DP.

8.2 Non-Convertible Securities held in Dematerialised Form

The Non-Convertible Securities shall be held in dematerialised form and no action is required on the part of the Non-Convertible Securities Holder(s) for redemption purposes and the redemption proceeds will be paid by cheque/EFT/RTGS to those Debenture Holder(s) whose names appear on the list of beneficiaries maintained by the R&T Agent. The names would be as per the R&T Agent's records on the Record Date fixed for the purpose of redemption. All such Non-Convertible Securities will be simultaneously redeemed through appropriate debit corporate action.

The list of beneficiaries as of the relevant Record Date setting out the relevant beneficiaries' name and account number, address, bank details and DP's identification number will be given by the R&T Agent to the Issuer. If permitted, the Issuer may transfer payments required to be made in any relation by EFT/RTGS to the bank account of the Debenture Holder(s) for redemption payments.

8.3 Sharing of Information

The Issuer may, at its option, but subject to applicable laws, use on its own, as well as exchange, share or part with any financial or other information about the Debenture Holder(s) available with the Issuer, with its subsidiaries and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither the Issuer nor its subsidiaries and affiliates nor their agents shall be liable for use of the aforesaid information.

8.4 Non-Convertible Securities Holder not a Shareholder

The Debenture Holder(s) shall not be entitled to any right and privileges of shareholders other than those available to them under the Act. The Non-Convertible Securities shall not confer upon the Debenture Holders the right to receive notice(s) or to attend and to vote at any general meeting(s) of the shareholders of the Issuer.

8.5 Modification of Non-Convertible Securities

The Debenture Trustee and the Issuer will agree to make any modifications in the General Information Document which, in the opinion of the Debenture Trustee, is of a formal, minor or technical nature or is to correct a manifest error.

Any other change or modification to the terms of the Non-Convertible Securities shall require approval by the Majority Debenture Holders.

8.6 Right to accept or reject Applications

The Board of Directors/Committee of Directors reserves its full, unqualified and absolute right to accept or reject any application for subscription to the Non-Convertible Securities, in part or in full, without assigning any reason thereof.

8.7 Notices

Any notice in respect of the Non-Convertible Securities may be served by the Issuer upon the Debenture Trustee/Debenture Holders in accordance with the terms of the Transaction Documents.

8.8 Issue Procedure

Only Eligible Investors as given hereunder may apply for the Non-Convertible Securities by completing the Application Form in the prescribed format in block letters in English as per the instructions contained therein. The minimum number of Non-Convertible Securities that can be applied for and the multiples thereof shall be set out in the Application Form. No application can be made for a fraction of a Debenture. Application Forms should be duly completed in all respects and applications not completed in the said manner are liable to be rejected. The name of the applicant's bank, type of account and account number must be duly completed by the applicant. This is required for the applicant's own safety and these details will be printed on the refund orders and /or redemptions warrants.

The final subscription to the Non-Convertible Securities shall be made by the Eligible Investors through the electronic book mechanism as prescribed by SEBI under the EBP Guidelines by placing bids on the electronic book platform during the Issue period. In case the Eligible Investors are not registered on the EBP Platform, they will have to register themselves as investor on the said platform (as a one-time exercise) and also complete the mandatory KYC verification process. The Eligible Investors should also refer to the operational guidelines of the EBP in this respect. The disclosures required pursuant to the EBP Guidelines are set out hereinbelow:

8.28 Record Date

As specified in the relevant Key Information Document.

8.29 Refunds

For applicants whose applications have been rejected or allotted in part, refund orders will be dispatched within 7 (seven) days from the Deemed Date of Allotment of the Debentures.

In case the Issuer has received money from applicants for Debentures in excess of the aggregate of the application money relating to the Debentures in respect of which allotments have been made, the R&T Agent shall upon receiving instructions in relation to the same from the Issuer repay the moneys to the extent of such excess, if any.

8.30 Interest on Application Monies

Not applicable

8.31 Pan Number

Every applicant should mention its Permanent Account Number ("**PAN**") allotted under Income Tax Act, 1961, on the Application Form and attach a self-attested copy as evidence. Application forms without PAN will be considered incomplete and are liable to be rejected.

8.32 Redemption

The face value of the Debentures shall be redeemed at par, on the Redemption Date. The Debentures will not carry any obligation, for interest or otherwise, after the Redemption Date. The Debentures shall be taken as discharged on payment of the Redemption Amount by the Issuer on the Final Redemption Date to the registered Debenture Holders whose name appear in the Debenture Register on the Record Date. Such payment will be a legal discharge of the liability of the Issuer towards the Debenture Holders.

8.33 Payment on Redemption

Payment on redemption will be made by way of cheque(s)/redemption warrant(s)/demand draft(s)/credit through RTGS system/funds transfer in the name of the Debenture Holder(s) whose names appear on the list of beneficial owners given by the Depository to the Issuer as on the Record Date.

The Debentures shall be taken as discharged on payment of the redemption amount by the Issuer on maturity to the registered Debenture Holder(s) whose name appears in the Register of Debenture Holder(s) on the Record Date. On such payment being made, the Issuer will inform NSDL and CDSL and accordingly the account of the Debenture Holder(s) with NSDL and CDSL will be adjusted.

On the Issuer dispatching the amount as specified above in respect of the Debentures, the liability of the Issuer shall stand extinguished.

8.34 Payment of Coupon

Payment of Coupon on the Debenture(s) will be made on Coupon Payment Dates as specified in this General Information Document to those Debenture Holders whose name(s) appear in the Register of Debenture Holder(s) (or to the first holder in case of joint holders) as on the relevant Record Date fixed by the Issuer for this purpose and /or as per the list provided by the Depository to the Issuer of the beneficiaries who hold Debentures in demat form on such Record Date, and are eligible to receive Coupon. Payment will be made by the Issuer after verifying the bank details of the Debenture Holders, by way of direct credit through Electronic Clearing Service (“ECS”), Real Time Gross Settlement (“RTGS”) or National Electronic Funds Transfer (“NEFT”).

In the event of any default in the payment of Coupon and/or in the redemption of the Debentures on the respective Payment Dates and all other monies payable pursuant to the Transaction Documents read with this General Information Document, the Issuer shall pay to the Debenture Holders, default interest at the rate specified in **Section 5.35 (Issue Details)** for the default in payment of Coupon, and/or Redemption Amount till the dues are cleared.

8.35 Eligibility to come out with the Issue

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Akara Capital Advisors Private Limited

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of "M/s Akara Capital Advisors Private Limited" ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the interim consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	Auditor's Response
1. Up dation of Corporate office with RBI	In addition to the registered office, The Company operates from Khasra no. 337, 1st Floor, CRC-II, M G Road, Sultanpur, Mehrauli, South West Delhi, Delhi, 110030. As confirmed by the management, due to Covid lockdowns and intermittent working, the company has not yet updated the address with RBI, and is currently in process of updating this address in RBI record.
2. Payment of Ex Gratia to the eligible customer	To provide additional relief, the Government of India announced ex-gratia payment to lenders for waiving off compound interest for loans up to 2 crore for some category of borrowers. The Honourable Supreme Court has directed all banks and financial institutions to refund compound interest, interest on interest or penal interest collected during the moratorium period irrespective of the loan amount and category of borrowers. The Supreme Court also lifted the ban it had imposed on declaring accounts of borrowers as non-performing assets. The company had filed a claim for the Ex Gratia under the scheme for Rs 78,93,585.00. The Company

	made multiple attempts to pay the eligible borrowers through cheque issuance and direct deposit. As confirmed by management, such refund to the eligible borrowers was completed in FY-2020-21.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal & Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- On the basis of written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- Being a private company, provisions of section 197 are not applicable to the company.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
- With respect to the other matters included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit & Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The management has represented that the company does not have any pending litigations and hence no provision/disclosure has been made against the same.

(ii) The company had not entered into any long term contracts including derivative contracts

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education & Protection Fund by the company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Akara Capital Advisors Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Akara Capital Advisors Private Limited** (the "Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

INDEPENDENT AUDITOR'S REPORT

To the Members of **M/s Akara Capital Advisors Private Limited**

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of "**M/s Akara Capital Advisors Private Limited**" ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Emphasis of Matter

We draw attention to the following matters appearing in the Financial Statements

- I. Note 27(3)(V) of the financial statements, which states that To provide additional relief, the Government of India announced ex-gratia payment to lenders for waiving off compound interest for loans up to 2 crore for some category of borrowers. The Honourable Supreme Court had directed all banks and financial institutions to refund compound interest, interest on interest or penal interest collected during the moratorium period irrespective of the loan amount and category of borrowers. The Supreme Court also lifted the ban it had imposed on declaring accounts of borrowers as NPA's.

performing assets. The company had filed a claim for the Ex Gratia under the scheme for Rs 78,93,585.00. Out of the total amount claimed as refund from Government, The Company has refunded an amount of Rs 3,08,054.26 to the authorities in FY 2021-22 on account of non-identification of specified customers.

- II. With effect from 01st April 2021 there has been change in a accounting policy in recognition of income on loan cases exceeding 90 dpd Due to this there is a de-recognition of interest income for FY 20-21 recorded in prior period items in Financial Statements under note no 21 amounting to Rs 29,69,999.00 .

Our opinion is not modified in respect of any of the matters specified above.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies

Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal & Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure B**, a statement on the matters specified in the paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

c. The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d. In our opinion, the aforesaid financial statements comply with the Accounting Standards referred to in section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

e. On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act.

f. Being a private company, provisions of section 197 are not applicable to the company.

g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating

effectiveness of the Company's internal financial controls over financial reporting; and

h. With respect to the other matters included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit & Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The management has represented that there was a suit filed against the company and its Directors due to an employee's dispute. Consequently the company paid Rs 1,00,000 for its settlement during the previous year

(ii) The company had not entered into any long term contracts including derivative contracts

(iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education & Protection Fund by the company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Akara Capital Advisors Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Akara Capital Advisors Private Limited** (the "Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

- (b) The Company has a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the reserve Bank of India Act,1934 and hence the company has conducted all Activities with a valid Certificate.
- (c) According to the information and explanations given to us and on an overall examination of the balance sheet, during the year, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence clause (xvi) (c) is not applicable.
- (d) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence clause (xvi)(d) is not applicable.
- (xvii) The company has not incurred cash losses in the current financial year as well as immediately preceding financial year

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) As the companies do not meet any of the conditions specified under Section 135 of the Companies Act 2013, hence clause 3(xx)(a) and (b) is not applicable.

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Akara Capital Advisors Private Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of "M/s Akara Capital Advisors Private Limited" ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and Changes in Equity for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information other than the financial statements and auditors' report thereon

The Company's board of directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal & Regulatory Requirements

1. Based on our audit, we report that the provisions of section 197 read with Schedule V of the Act are not applicable to the company since the company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraphs 3 and 4 of the Order.
3. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the statement of changes in equity and the standalone statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
 - e. On the basis of written representations received from the directors as on March 31, 2023, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
 - g. With respect to the other matters included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit & Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company as detailed in Note No38 to the Standalone Financial Statements, has disclosed the impact of pending litigations on its financial position as at 31st March 2023.
 - (ii) The company had not entered into any long term contracts including derivative contracts as on 31st March 2023.
 - (iii) There were no amounts which are required to be transferred to Investor Education and &

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Akara Capital Advisors Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Akara Capital Advisors Private Limited** (the "Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standard on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

30 Disclosures under Ind AS 19 (Employee benefits)
(a) Defined contribution plans:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Employees' Provident Fund and Employees' State Insurance schemes, which are defined contribution plans. The Company has no obligation other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue.

Amount recognized as an expense towards defined contribution plans

Particulars	As at March 31, 2023	As at March 31, 2022
Contribution to employees provident fund	19.69	3.16
Contribution to employee state insurance schemes	0.15	0.14
Total	19.84	3.30

(b) Defined benefit plans:

The Company operates a funded gratuity benefit plan wherein every employee is entitled to a benefit equivalent to 15 days salary (includes dearness allowance) but drawn for each completed year of service. The same is payable on termination of service, or retirement, or death, whichever is earlier. The benefit vests after five years of continuous service. Gratuity benefits are valued in accordance with the Payment of Gratuity Act, 1972.

The gratuity plan of the company is funded gratuity plan. These plans typically expose the Company to actuarial risks such as: Interest rate risk, Liquidity risk, Salary escalation risk, demographic risk, regulatory risk

Interest rate risk	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
Salary escalation risk	Higher than expected increases in salary will increase the defined benefit obligation.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

The most recent actuarial valuation of the present value of the defined benefit obligation were carried out as at March 31, 2023 by Independent Valuer, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method

(% change compared to base due to sensitivity)	-2.00%	2.00%	-2.00%	1.00%

Sensitivity Analysis

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur

in isolation of one another as some of the assumptions may be correlated. There is no change in the method of valuation for the prior period.

38. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the Reserve Bank of India (RBI) of India. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period.

38.1 Capital management

The capital management objectives of the Company are:

- to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios
- to ensure the ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of debt less cash and bank balances as presented on the face of balance sheet.

Management assesses the capital requirements of the Company in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

38.2 Regulatory capital

As contained in RBI Master Directions - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (hereinafter referred to as "RBI Master Directions"), the Company is required to maintain a capital ratio consisting of Tier I and Tier II capital not less than 15% of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items. Out of this, Tier I capital shall not be less than 10%. The RBI's regularly monitors the maintenance of prescribed levels of Capital Risk Adjusted Ratio (CRAR).

Capital Adequacy Ratio (CAR) and other key financial parameters as at 31 March 2023 of the Company are as under:

Capital Adequacy ratio - Tier I	34.56%
Capital Adequacy ratio - Tier II	-0.74%
	33.82%

41 Financial risk management**(i) Risk Management**

Risk is an integral part of the Company's business and sound risk management is critical to the success. As a financial company, the Company is exposed to risks that are

Risk	Exposure arising from	Measurement	Management
Credit risk	Loan receivables, Cash and bank	Expected loss analysis	Credit risk analysis, diversification of customers/issue
Liquidity risk	Borrowings and other liabilities	Rolling cash flow	Availability of committed credit lines and borrowing
Market risk- Interest rate	non-current borrowings at variable	Sensitivity analysis	Change in interest rates

A) Credit risk

Credit risk arises from loans, cash and cash equivalents, bank balance other than cash and cash equivalents, investments and other financial assets. Credit risk is the risk of default by the borrower. Credit risk arises from loans financing, cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as shown

Particulars	Balance as at March 31, 2023	Balance as at March 31, 2022
Loans	1,06,942.56	51,516.28
Investments	82.04	-
Trade Receivables	3,294.07	2,324.31
Cash and cash equivalents	17,737.13	5,438.16
Other bank balances	30,976.70	219.80
Other financial asset	982.41	1,346.33

The Company splits its exposure into smaller homogeneous portfolios, based on shared credit risk characteristics, as described below in the following order:

- Standardize the process of identifying new risks and designing appropriate controls for these risks
- Maintain an appropriate credit administration and loan
- Establish metrics for portfolio monitoring
- Minimise losses due to defaults or untimely payments by borrowers
- Design appropriate credit risk mitigation techniques

Expected credit loss for loans

In order to mitigate the impact of credit risk in the future profitability, the Company makes reserves basis the expected credit loss (ECL) model for the outstanding loans. The below discussion describes the Company's approach for assessing impairment as stated in the significant accounting policies.

Expected credit loss measurement

In determining whether credit risk has increased significantly since initial recognition, the institution uses the days past due data and forecast information to assess deterioration in credit quality of a financial asset for all the portfolios. The Company considers its historical loss experience and adjusts this for current observable data. Ind AS 109 requires the use of macroeconomic factors.

Definition of default

The Company defines a financial instrument as in default, any borrower whose contractual payments are due for more than 90 days is termed as default, which is in line with RBI guidelines.

AKARA CAPITAL ADVISORS PRIVATE LIMITED

Notes forming part of the Ind AS financial statements for the period ended March 31, 2023

(All amounts in Lakhs of ₹ unless otherwise stated)

Probability of Default ('PD')

PD is defined as the probability of whether the borrower will default on their obligation in the future. For assets which are in Stage 1, a 12-month PD is required. For Stage 2 a lifetime PD is required (equivalent to 12-month PD in the given case) while Stage 3 assets are considered to have a 100% PD. The loans have been segmented into three stages based on the risk profiles which reflect the general pattern of credit deterioration of a loan. The Company categorises loans at the reporting date into stages based on the days past due ('DPD') status as under: -

Stage 1: Low credit risk, i.e. 0 to 30 days past due

Stage 2: Significant increase in credit risk, i.e. 31 to 90 days past due

Stage 3: Impaired assets, i.e. more than 90 days past due

The company considered other variables such as Gross Domestic Product, Core Inflation and PMI index, however all these factors were found to be an aggregate of

Loss Given Default ('LGD')

Loss given default (LGD) represents estimated financial loss the Company is likely to suffer in the event of default. LGD is calculated using recovery pattern and value of collateral (if applicable) in default accounts.

The company has added all costs incurred on actuals basis for recovery in all default cases to arrive at final LGD. The recovered amount in all default cases has been discounted for the weighted average of the number of days of default in all such cases to compute the final LGD.

Exposure at Default ('EAD')

The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation, addressing both the client's ability to increase its exposure while approaching default and potential early repayments too.

The company has considered cross default criteria while computing EAD i.e. If any customer defaults on one active loan then the customer has been marked as default on other loan (if any) as well.

While computing EAD for stage 1 accounts, the company has considered 75% commitments as per FIRB guidelines which are contractual or undrawn lines as the same does not require any pre-approval at the time of disbursement. For stage 2 and 3 accounts, the Company has not considered any commitment on the undrawn lines for EAD as the policy does not allow for any disbursement in case of any overdue.

The ECL is computed as a product of PD, LGD and EAD.

Quantitative and qualitative factors considered along with quantification i.e. loss rates

Impact of specific risk factors was taken into account while staging of accounts and computation of PD. The forecasted point in time (PIT) PDs have been estimated by establishing a link between through the cycle (TTC) PDs and macroeconomic variables i.e. growth rate prescribed by Index of Industrial Production ('IIP'). The macro-economic variables were regressed using a logical regression against systemic default rate out of the impact of macro-economic variables on the system wide default rates.

As per the guidelines laid under the standard, the company has done probability weighted scenarios to arrive at the final ECL. These scenarios reflect a baseline, upturn and downturn in economic activity basis which ECL requirements could vary. The final ECL has subsequently been discounted.

Write off policy

Financial assets are written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when, as at the reporting date, financial asset is overdue for 12 months or more and the Company determines that the debtor does not have assets or source of income that could generate sufficient cash flows to repay the amounts subject to the write off.

Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

The Company has written off financial assets amounting to Rs 5584.70. Hence the ECL provision has been adjusted against it.

B) Liquidity risk

Liquidity risk arises as Company has contractual financial liabilities that is required to be serviced and redeemed as per committed timelines and in the business of lending where money is required for the disbursement and creation of financial assets to address the going concern of Company. Liquidity risk management is imperative to Company as this allows covering the core expenses, market investment / creation of financial assets, timely repayment of debt commitments and continuing with their operations.

Management of the Company monitors forecast of liquidity position and cash and cash equivalents on the basis of expected cash flows. The Asset Liability Management Policy aims to align market risk management with overall strategic objectives, articulate current interest rate view and determine pricing, mix and maturity profile of assets and liabilities. The asset liability management policy involves preparation and analysis of liquidity gap reports and ensuring preventive and corrective measures. It also addresses the interest rate risk by providing for duration gap analysis and control by providing limits to the gaps.

C) Market Risk

Market risk is the risk that the fair value or future cash flow of financial instrument will fluctuate due to changes in market variables such as interest rates, foreign exchange rates etc. The objective of market risk management is to manage and control market risk exposure within acceptable parameters while maximising the return.

D) Foreign currency risk

There are un-hedged liability denominated in foreign currency with the Company as at March 31, 2023 of Rs 170.46 (Previous year ₹ Nil).

1. Corporate Information

Akara Capital Advisors Private Limited ('the Company') is a company domiciled in India, with its registered office situated at 60, Third Floor, Arjun Nagar Kofia Muharokpur, Delhi-110003. The company was registered as a Non-Deposit taking Non-Banking Financial Company under section 451A of the Reserve Bank of India (RBI) Act 1934.

The Authorized Share Capital of the company is Rs. 40,000.00 divided into 40,00,00,000 ordinary equity shares of Rs. 10/- carrying one voting right per shares at all times. The Subscribed Share Capital of the company is Rs. 27,055.93 divided into 2,70,55,93.31 ordinary equity shares of Rs. 10/- carrying one voting rights per shares at all times.

The company is a wholly owned subsidiary of Monis Technologies Pte Ltd having a shareholding of Rs. 27,055.92.00 in the entire share capital of Akara Capital Advisors Private Limited.

2. Basis of preparation of standalone financial statements

(i) Statement of compliance

These standalone financial statements ('financial statements') have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors on 29th May 2023.

Details of the Company's accounting policies are included in Note 3.

(ii) Functional and presentation currency

These standalone financial statements are prepared in INR lakhs, which is the Company's functional and presentation currency. All amounts have been rounded-off to the nearest lakhs and two decimals thereof except share data and per share data, unless otherwise stated.

(iii) Basis of measurement

These standalone financial statements have been prepared on the historical cost basis, except for the following items:

Items	Measurement basis
Net defined benefit (asset)/ liability	Present value of defined benefit obligations
Other financial assets and liabilities	Amortised cost

(iv) Amended Accounting Standards (Ind AS) and interpretations effective during the year

a. Ind AS 109 Financial Instruments; Ind AS 107 Financial Instruments: Disclosures

The amendment to Ind AS 109, provides a practical expedient for assessment of contractual cash flow test, which is one of the criteria for being eligible to measure a financial asset at amortized cost, for the changes in the financial assets that may arise as a result of Interest Rate Benchmark Reform. An additional temporary exception from applying hedge accounting is also added for Interest Rate Benchmark Reform.

The amendment to Ind AS 107, clarifies the certain additional disclosures to be made on account of Interest Rate Benchmark Reform:

- (i) the nature and extent of risks to which the entity is exposed arising from financial instruments subject to interest rate benchmark reform;
- (ii) the entity's progress in completing the transition to alternative benchmark rates, and how the entity is managing the transition;
- (iii) the instruments exposed to benchmark reform disaggregated by significant interest rate benchmark along with qualitative information about the financial instruments that are yet to transition to alternative benchmark rate;
- (iv) changes to entity's risk management strategy.

The amendments introduced a similar practical expedient in Ind AS 116. Accordingly, while accounting for lease modification i.e. remeasuring the lease liability, in case this is required by interest rate benchmark reform, the lessee will use a risk-free rate that reflects the changes in the interest rate.

These amendments did not have any material impact on the financial statements of the Company.

b. Amendments consequent to issue of Conceptual Framework for Financial reporting under Ind AS (Conceptual Framework)

- (i) Ind AS 102 Share Based Payments - Amended the definition of 'liabilities' to 'a present obligation of the entity to transfer an economic resource as a result of past events'.
- (ii) Ind AS 103 Business Combinations - The MCA clarified that for the purpose of this Ind AS, acquirers are required to apply the definitions of an asset and a liability given in the Framework for Preparation and Presentation of Financial Statements with Indian Accounting Standards rather than the Conceptual Framework.
- (iii) Ind AS 114 Regulatory Deferral Accounts - The amendment added a footnote against the term 'reliable' used in the Ind AS 114. The footnote clarifies that term 'faithful representation' used in the Conceptual Framework encompasses the main characteristics that the Framework for Preparation and Presentation of Financial Statements with Indian Accounting Standards called 'reliability'. However, for the purpose of this Ind AS, the term 'reliable' would be based on the requirements of Ind AS 8.
- (iv) Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets - The MCA clarified that the definition of term 'liability' in this Ind AS is not being revised following the revision of the definition of liability in the Conceptual Framework.
- (v) Ind AS 38 Intangible Assets - The MCA clarified that the definition of an 'asset' in this Ind AS is not being revised following the revision of the definition of asset in the Conceptual Framework.
- (vi) Ind AS 1 Presentation of Financial Statements; Ind AS 8 Accounting policies, Changes in Accounting Estimates and Errors and Ind AS 34 Interim Financial Reporting - The reference to the Framework for Preparation and Presentation of Financial Statements with Indian Accounting Standards has been substituted with reference to the Conceptual Framework.

The above amendments did not have any material impact on the financial statements of the Company.

(v) Use of estimates and judgements

The preparation of these financial statements in conformity with recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses as well as disclosures. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods prospectively.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effects on the amount recognised in the financial statements pertains to :

a) Useful lives and recoverable amount of property, plant and equipment and intangible assets:

The estimated useful lives and recoverable amounts of property, plant and equipment and intangible assets are based on estimates and assumptions regarding the expected market outlook, expected future cash flows, growth rates, obsolescence, demand, competition, and known technological advances. The charge in respect of periodic depreciation/ amortisation is derived based on an estimate of an asset's expected useful life and the expected residual value at the end of its life. The Company reviews the useful lives and recoverable amounts of property, plant and equipment and intangible assets at the end of each reporting period.

b) Impairment assessment:

Property, plant and equipment, right-of-use assets and intangible assets that are subject to depreciation/ amortisation are tested for impairment periodically including when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic, fair value and market conditions.

c) Income taxes:

Recognition of deferred tax assets/ liabilities involves making judgements and estimations about the availability of future taxable profit against which tax losses carried forward can be used. A deferred tax asset is recognised for unused tax losses and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against which they can be utilised.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case laws and the potential outcomes of appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets and therefore the tax charge in the Statement of Profit and Loss.

d) Litigations

From time to time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

e) Employee benefit obligations:

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making appropriate assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(vi) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in Note 46- financial instruments.

(vii) Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products/ services and the time between the acquisition of assets and their realization in cash and cash equivalents, the Company has ascertained its operating cycle to be within 12 months for the purpose of current and non-current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3. Significant accounting policies

A. Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains or losses arising from the retirement or disposal of a property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the statement of profit and loss.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their useful lives mentioned in Schedule II to the Companies Act, 2013, using the Straight Line Method and is recognised in the statement of profit and loss.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

B. Intangible assets

Intangible assets are self-generated and stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any.

Amortization method, estimated useful life and residual value

Intangible assets are amortized at straight line method over the period of their life. The amortisation period, residual value and the amortisation method are reviewed at least at each balance sheet date. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the statement of profit and loss.

C. Intangible Assets under Development

The intangible assets which are in the process of development are recognised as intangibles assets under development. Once developed they are recognised as intangible assets.

D. Cash and cash equivalents

Cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

E. Financial instruments

(i) Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another

entity. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Trade receivables and debt securities are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

(ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at:

- Amortised cost
- FVOCI – debt investment;
- FVOCI – equity investment; or
- FVTPL.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at the amortised cost if both of the following conditions are met and is not designated as at FVTPL:

- the financial asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The information considered includes:

- a) the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- b) how the performance of the portfolio is evaluated and reported to the Company's management;
- c) the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- d) how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- e) the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest:

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- a) contingent events that would change the amount or timing of cash flows;
- b) terms that may adjust the contractual coupon rate, including variable interest rate features;
- c) prepayment and extension feature, and
- d) terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features)

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in statement of profit and loss.

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Debt investments at FVOCI

These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to statement of profit and loss.

Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit and loss. Any gain or loss on derecognition is also recognised in statement of profit and loss. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

(iii) Derecognition

Financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liability

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this

case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in statement of profit and loss.

(iv) Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

F. Financial instrument classified as financial liability

Financial instrument which requires the Company to deliver cash or another financial asset, or otherwise to settle it in such a way that it would be a financial liability, and where Company does not have an unconditional right to avoid such obligation, are classified as financial liability. Such classification is in substance of the contractual arrangement and as per the definitions of the financial liability. Such financial instruments are recognized as financial liability at the full amount, without taking into account the timing of the contingent event. This is as per the rules of contingent settlement provisions. The equity component for such financial instruments will be nil.

Initial recognition of such financial instrument as financial liability will be at fair value and subsequent changes in fair value is recognized in profit or loss (i.e. FVTPL).

G. Impairment

(i) Impairment of financial assets

The Company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all financial assets with contractual cash flows other than trade receivable, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable. Under the simplified approach, the Company does not track changes in credit risk for individual customers. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates and delays in realisations over the expected life of the trade receivable and is adjusted for forward looking estimates. At every balance sheet date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets

(ii) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

H. Provisions, contingent liabilities and contingent assets

CIN No.: - U74110DL2016PTC290970

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements.

Contingent assets

Contingent assets are not recognised but disclosed in the standalone financial statements when an inflow of economic benefits is probable.

I. Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for rendering of services in the ordinary course of the Company's activities. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is presented net of returns, trade allowances, discounts, value added taxes, goods and service taxes (GST). Revenue is recognised as follows:

- I. Interest income on all loans upto 90 days is recognized under accrual basis. Beyond that or in case of any default on loan repayment interest income is recognized only when realized.
- II. Processing fees on loans are recognized on upfront basis in the books of IT Service Provider as platform fees.(The IT Service Company provides a customer interface with Akara Capital Advisors Private Limited).
- III. In the cases the loans falls due over 150 days, the principal outstanding and interest received as and when are transferred to the books of IT service provider.
- IV. Interest income on deposits with banks is recognized on an accrual basis taking into account the amount outstanding and rate applicable.
- V. Interest on term deposits has been accrued on the time proportion basis, using the underlying interest rates.
- VI. Dividend income is accounted when the right to receive dividend is established

All other income is recognized on an accrual basis.

The company has reported accrued interest income on loans amounting to **Rs 838.12 lakhs**. The Revenue is recognized for Interest Accrued but not received on Standard Asset up to 90 days till the period ended 31st March 2023.

J. Foreign currency transactions

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Foreign exchange gains and losses resulting from the settlement of such transactions are generally recognised in statement of profit and loss.

K. Employee benefits

The Company's obligation towards various employee benefits has been recognised as follows:

(i) Short term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., wages and salaries, short-term cash bonus, etc., if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of

[Handwritten signature]

[Handwritten signature]

obligation can be estimated reliably.

(ii) Long term employee benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

Provident fund, employee's state insurance scheme and labour welfare fund are defined contribution plans. These contributions are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company has defined benefit plan, Gratuity.

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets, if any.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognised in other comprehensive income (OCI). The Company determines the net interest expense/(income) on the net defined benefit liability for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the net defined benefit liability, taking into account any changes in the net defined benefit liability during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in statement of profit and loss.

The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on government securities as at the balance sheet date.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in statement of profit and loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(iii) Other long term employee benefits – compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the Projected Unit Credit Method. Re-measurement as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

I. Income tax

Income tax comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax assets are recognised to the extent that it is

probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

M. Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payment or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

N. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per equity share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

AKAR/2023-24/178

AKARA CAPITAL ADVISORS PRIVATE LIMITED

EXPLANATORY STATEMENT

(Pursuant to Section 102 (1) of the Companies Act, 2013)

ITEM NO.1

Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 ("Prospectus and Allotment Rules") deals with private placement of securities by a company. Rule 14(1) of the Prospectus and Allotment Rules prescribes that in case of an offer or invitation to subscribe to securities, the Company shall obtain previous approval of its shareholders/members ("Members") by means of a special resolution. Rule 14(1) of the Prospectus and Allotment Rules further prescribes that in case of the issue of non-convertible debentures ("NCDs") exceeding the limits prescribed therein, it shall be sufficient to obtain such previous approval for all the offers or invitations for such NCDs issued during a period of 1 (one) year from the date of passing of the aforementioned special resolution.

In order to augment resources for on-lending by the Company, repayment/refinance of existing debt, working capital requirement, purchase of assets, investments, general corporate purposes etc. the Company may invite subscription for non-convertible debentures ((a) listed or unlisted, (b) senior secured, (c) senior unsecured, (d) unsecured, (e) subordinated, (f) any others (as may be determined)) (including market linked debentures) to be issued by the Company, in one or more series/tranches on private placement basis. The NCDs proposed to be issued, may be issued either at par or at premium or at a discount to face value and the issue price (including premium, if any) shall be decided by the board of directors of the Company ("Board") on the basis of various factors including the interest rate/effective yield determined, based on market conditions prevailing at the time of the issue(s).

Pursuant to Rule 14(1) of the Prospectus and Allotment Rules, the following disclosures are being made by the Company to the Members:

PARTICULARS OF THE OFFER INCLUDING DATE OF PASSING BOARD RESOLUTION	Rule 14(1) of the Prospectus and Allotment Rules prescribes that where the amount to be raised through offer or invitation of NCDs (as defined above) exceeds the limit prescribed, it shall be sufficient if the company passes a previous special resolution for all the offers or invitations for such NCDs during the year. In view of this, pursuant to this resolution under Section 42 of the Companies Act, 2013, the specific terms of each offer/issue of NCDs (whether secured/unsecured/subordinated/senior, rated/unrated, listed/unlisted, redeemable (including market linked debentures) NCDs) shall be decided from time to time, within the period of 1 (one) year from the date of the aforementioned resolution. In line with Rule 14(1) of the Prospectus and Allotment Rules, the date of the relevant board resolution shall be mentioned/disclosed in the private placement offer and application letter for each offer/issue of NCDs.

AKAR/2023-24/178

AKARA CAPITAL ADVISORS PRIVATE LIMITED

KINDS OF SECURITIES OFFERED AND THE PRICE AT WHICH THE SECURITY IS BEING OFFERED	Listed or Unlisted Non-convertible debt securities/NCDs. The NCDs will be offered/issued either at par or at premium or at a discount to face value, which will be decided by the Board for each specific issue, on the basis of the interest rate/effective yield determined, based on market conditions prevailing at the time of the respective issue.
BASIS OR JUSTIFICATION FOR THE PRICE (INCLUDING PREMIUM, IF ANY) AT WHICH THE OFFER OR INVITATION IS BEING MADE	Not applicable, as the securities proposed to be issued (in multiple issues/tranches) are non-convertible debt instruments which will be issued either at par or at premium or at a discount to face value in accordance with terms to be decided by the Board, in discussions with the relevant investor(s).
NAME AND ADDRESS OF VALUER WHO PERFORMED VALUATION	Not applicable as the securities proposed to be issued (in multiple issues/tranches) are non-convertible debt instruments.
AMOUNT WHICH THE COMPANY INTENDS TO RAISE BY WAY OF SECURITIES	The specific terms of each offer/issue of NCDs shall be decided from time to time, within the period of 1 (one) year from the date of the aforementioned resolution, provided that the amounts of all such NCDs at any time issued within the period of 1 (one) year from the date of passing of the aforementioned shareholders resolution shall not exceed the limit specified in the resolution under Section 42 of the Companies Act, 2013.
MATERIAL TERMS OF RAISING OF SECURITIES, PROPOSED TIME SCHEDULE, PURPOSES OR OBJECTS OF OFFER, CONTRIBUTION BEING MADE BY THE PROMOTERS OR DIRECTORS EITHER AS PART OF THE OFFER OR SEPARATELY IN FURTHERANCE OF OBJECTS; PRINCIPLE TERMS OF ASSETS CHARGED AS SECURITIES	The specific terms of each offer/issue of NCDs shall be decided from time to time, within the period of 1 (one) year from the date of the aforementioned resolution, in discussions with the respective investor(s). These disclosures will be specifically made in each private placement offer and application letter for each offer/issue.

Accordingly, consent of the Members is sought in connection with the aforesaid issue of NCDs and they are requested to authorize the Board to apply to the stock exchange for the in-principal approval and to issue such NCDs during the year on private placement basis up to INR 1000 Crores (Indian Rupees One Thousand Crores Only) as stipulated above, in one or more tranches in supersession to the previous member's resolution passed on 24th November, 2022.

None of the directors and key managerial personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this resolution except to the extent of their shareholding (if any) in the Company. The Board recommends the passing of the resolution as special resolution.

AKAR/2023-24/178

AKARA CAPITAL ADVISORS PRIVATE LIMITED

Keeping in view the Company's existing and future financial requirements to support its business operations, the Company needs additional funds. For this purpose, the Company is desirous of raising finance from issue of NCD's/CP/ECBs/Private Placement from various Banks and/or Financial Institution and /or any other lending institution and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit.

Hence it is proposed to increase the maximum borrowing limit from Rs. 1500 Crores (Rupees One Thousand Five Hundred Crores) to Rs. 3000 Crores (Rupees Three Thousand Crores). Pursuant to Section 180(1) (c) of the Companies Act, 2013, Borrowing more than aggregate amount of the paid-up capital of the Company and its free reserves at any one time requires the consent of the members of the Company in a general meeting. However, the borrowings shall not exceed any time 8 times of the equity as per the Schedule 1 of Articles of the Company.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole of the undertaking of the Company in such manner as the Board may determine.

Hence, the Ordinary Resolution at Item No.2 of the Notice is being proposed. The Directors recommend the Ordinary Resolution as set out at Item No. 2 of the accompanying Notice, for members' approval.

ITEM NO.3

Keeping in view the existing and future financial requirements to support its business operations, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) exceeds the aggregate of the paid-up capital and free reserves that is to say, reserves not set apart for any specific purposes, provided however, that the total amount so borrowed shall not exceed a sum of Rs. 3000 Crore/- (Three Thousand Crore).

Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting.

Hence, the Ordinary Resolution at Item No.3 of the Notice is being proposed. The Directors recommend the Ordinary Resolution as set out at Item No. 3 of the accompanying Notice, for members' approval.
