- (a) ***The Issuer provides secured loans to the clients and if the Issuer is unable to control the level of non-performing loans ("NPAs") in the future, or if the Issuer's loan loss reserves are insufficient to cover future loan losses, the financial condition and results of operations may be materially and adversely affected***

A majority of the Issuer's loans are vehicle loans and the clients of these vehicle loans are of the high risk category. There is uncertainty on the client's ability to fulfil its loan obligations it can be difficult to verify all client details and assess the risk. Such non-performing or low credit quality loans can negatively impact the Issuer's results of operations.

The Issuer has various procedures and process controls in place to mitigate the risk.

As on December 31, 2024 the gross Stage III was INR 304.45 Crores on a gross portfolio of INR 10,992.79 Crore (excluding managed / securitized portfolio) of INR 1,303.11 crore.

The Issuer cannot assure that it will be able to effectively control and reduce the level of the NPAs of its Client Loans. The amount of its reported NPAs may increase in the future as a result of growth of Client Loans. If the Issuer is unable to manage NPAs or adequately recover its loans, the results of its operations will be adversely affected.

The clients are from different industries spread across several geographies with limited access to finance and, as a result, might be vulnerable if economic conditions worsen or growth rates decelerate in India, or if there are natural disasters such as floods and droughts in areas where the Issuer's members live. Moreover, there is no precise method for predicting loan and credit losses, and the Issuer cannot assure that its monitoring and risk management procedures will effectively predict such losses or that loan loss reserves will be sufficient to cover actual losses. If the Issuer are unable to control or reduce the level of its NPAs or poor credit quality loans, its financial condition and results of its operations could be materially and adversely affected.

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **SK Finance Limited** (the "Company"), for the quarter and nine months ended December 31, 2024 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 52 and Regulation 54 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 (the "Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. The comparative financial information for the quarter and nine months ended December 31, 2023 and for the year ended March 31, 2024 included in the Statement have been reviewed/audited by the predecessor auditor.
